Introduction to Ellon Academy Community Campus

Welcome to Ellon Academy Community Campus.

As Head Teacher my aim and vision for Ellon Academy is to continue to be a school with high expectations and aspirations so that all pupils have opportunities to develop their skills and release their full potential here and for their future lives and careers.

We aim to provide a wide curriculum which meets the needs of all learners and encourages learning and progression towards success for all. Our vision is based on six key themes:

Lifted Leadership, Limitless Learning, Transformational Teaching, Aspirational Achievement, Excellence and Equity and Promoting Partnerships.

These six themes form the basis of all our work which is focussed on improving outcomes for all learners at Ellon Academy.

Pauline Buchan, Head Teacher

Information Line 0370 054 4999 02 10 40 (Please do not use this line to leave messages for the school.)

Ellon Academy Community Campus is a non-denominational school with a role of 1088. The school serves Ellon and the surrounding area.

The school day at Ellon Academy Community Campus begins at 8.25am each morning with a warning bell at 8.20am. Registration lasts 10 minutes, there is a 15 minute interval at 10.15am with lunch at 1.00pm (Monday and Tuesday) or 12.10pm (Wednesday to Friday). The school day finishes at 3.30pm (Monday and Tuesday) or 2.50pm (Wednesday to Friday). Each day comprises 6 or 7 periods, each 50 minutes in length.

	REGISTRATION	Period 1	Period 2	Interval	Period 3	Period 4	Period 5	Lunch	Period 6	Period 7
Mon	8.25 - 8.35	8.35 – 9.25	9.25– 10.15	10.15- 10.30	10.30- 11.20	11.20- 12.10	12.10– 1.00	1.00 – 1.50	1.50– 2.40	2.40 – 3.30

Fri	8.25 - 8.35	8.35 – 9.25	9.25– 10.15	10.15- 10.30	10.30- 11.20	11.20- 12.10	12.10 – 1.10	1.10 – 2.00	2.00 – 2.50

Devolved budgets are managed in accordance with authority guidelines in order to support planned improvements in the school.

Relationships and partners:

Ellon Academy has excellent relationships with all stakeholders and has built positive and supportive partnerships with external support agencies and broadened our links with local groups, businesses and employers as part of the Developing the Young Workforce agenda.

Our focus is to support our pupils to develop their skills and talents and to set this in context of preparing them for lifelong learning and work. We want our young people to leave school as confident individuals having maximised their potential whilst at school and to progress to positive destinations in their career journeys. We aim to ensure that our young people are global citizens who are able to participate in and contribute to our community and beyond.

We are fully committed to improving outcomes for all learners in an ethos of high expectation and aspiration.

Our staff team

The Senior Leadership Team

Rector	Mrs Pauline Buchan
Depute Rector (Cheyne / Keith)	Mr Paul Cruickshank
Depute Rector (Forbes)	Mrs Elaine Henderson
Depute Rector (McDonald)	Mrs Kim Hall
Depute Rector (Sinclair)	Ms Tracy Booth
School Service Support Manager	Mrs Susan McGill

**A full list of the staffing complement can be found on the website
www.Ellonacademy.aberdeenshire.sch.uk**

Our Vision, Values and School Ethos

Ellon Academy is a large rural, comprehensive secondary school with a long tradition of excellence and positive relationships with the local community.

Ellon Academy moved to the new Community Campus in August 2015. This state-of-the-art building has excellent educational and community facilities. From being the ancient capital of Buchan, serving a vast outlying rural community, Ellon has developed dramatically over the years to become a thriving and popular commercial town serving both the local community and Aberdeen, the oil capital of Europe.

In the past thirty years these changes have been reflected in the growth of the academy. In 1979 the school catered for only 500 pupils; today approximately 1,088 pupils attend the school and are supported by 80 teaching staff.

Our Vision is to ensure positive outcomes for all learners and to foster a positive growth mindset to ensure that all young people believe in their own ability to progress and succeed. Our Growth Mindset vision includes our Learner Mark which is based on our Five Pillars of Successful Learning: Punctual, Prepared, Participating, Persevering and Progressing.

<u>The Five Pillars of Successful Learning</u>					
<u>Criteria for Ellon Academy Learner Mark</u>					
	<u>Am I?</u>	<u>Achieved all 5</u>	<u>Achieved 4 or 3</u>	<u>Achieved 2 or 1</u>	<u>Achieved None</u>
1	Punctual	1	2	3	4
2	Prepared	1	2	3	4
3	Participating	1	2	3	4
4	Persevering	1	2	3	4
5	Progressing	1	2	3	4

Our new Core Values consultation has brought the following core values forward which form the basis of all we do at Ellon Academy:

Respect, Responsibility, Excellence. Equality, Aspiration, Dedication and Integrity.

Curriculum

Within Ellon Academy Community Campus, we aim to provide a curriculum that is both inclusive and ambitious for all – a curriculum which is both academically challenging and also provides opportunities to develop skills for learning, life and work.

Our curriculum will be based around the four capacities of Curriculum for Excellence – to ensure our pupils are successful learners, confident individuals, effective contributors and responsible citizens. Our curriculum will also reflect the principles of curriculum design to ensure breadth, depth, personalisation & choice, challenge & enjoyment, progression, coherence and relevance. Therefore we will have a curriculum which we will adapt continuously over time to meet the needs of our pupils.

Following the principles of Curriculum for Excellence, achievement of children and young people is celebrated in its broadest sense. This means looking beyond formally assessed learning, to also recognise activities like volunteering and participation in arts, sports and community-based programmes. This approach complements the nurturing and aspirational outcomes of Getting It Right for Every Child, and our aim in Aberdeenshire to overcome inequality by Raising Attainment for All, promoting school values, Equity and Excellence in schools, and Closing the Attainment Gap.

The Broad General Education (S1-S3) at Ellon Academy

To reflect the principles of Curriculum for Excellence, all Aberdeenshire pupils will study a Broad General Education through to the end of S3 followed by an S4-S6 Senior Phase curriculum.

Throughout the S1-S3 Broad General Education, your child will have the opportunity to build on prior learning from his/her primary school and will continue to experience success across each of the four capacities. To maintain motivation, pace of learning and interest throughout the Broad General Education, your child will have the opportunity to personalise his/her curriculum through choice at the end of S2. To maintain breadth of learning and meet the requirement of a Broad General Education, in S3, all pupils will study courses covering each of the eight Curricular Areas. The subject choice process will take place in February/March of S2. Towards the end of S3, your child will have the opportunity to 'refresh' his/her choices as preparation for the Senior Phase (S4-S6). The Senior Phase will be the starting point for engagement with Scottish Qualification Award (SQA) and other award bearing qualifications.

Broad General Education (S1 – S2)

Your child will study a common curriculum throughout S1 and S2, including interdisciplinary opportunities based on literacy, numeracy and health and well being outcomes and experiences.

Broad General Education (S3)

Your child will have the opportunity to personalise his/her learning in S3. Depending on your child's progress in S2, a degree of subject choice will be available within each Curricular Area.

As the curriculum is based upon outcomes and experiences, some subjects may be offered across Curricular Areas. Throughout S3, your child will collate successes gained from a variety of different sources into his/her S3 Profile.

During January/February of S3, your child will begin the process of choosing the subjects to be studied in S4. Approximately 80% of pupils in your child's current class will return to school for S5. For these pupils we advise strongly that they consider a two or three year Senior Phase 'qualification journey' based on what they want to achieve throughout this time. The 20% of pupils planning to leave at the end of S4 will focus on a curriculum that best prepares them for college or work.

The Senior Phase (S4-S6) at Ellon Academy

In the S4-S6 Senior Phase, your child will continue their 'learning journey' through a range of personalised curricular pathways. As your child progresses through the Senior Phase, he/she will experience a greater depth of learning as well as formal recognition of achievements.

In S4, most Ellon Academy pupils will study National 5 qualifications with some, depending on their progress through the Broad General Education, following National 3, National 4 or Higher Grade qualifications.

In S5 and S6 similar flexibility on academic progress will continue. Most pupils, however, will study Higher and Advanced Higher Grade qualifications.

In addition to SQA qualifications in the Senior Phase the opportunity to broaden learning beyond traditional boundaries exists. Numerous 'achievement opportunities' through for example; work related learning placements, voluntary work, community placements, Duke of Edinburgh etc as well as partnership working with the North-East Scotland College ensure our pupils are well prepared for meeting the challenges of post-school life.

Senior Phase (S4)

The Senior Phase will combine pupils from S4, S5 and S6. Pupils from S4, S5 and S6 may be in the same classes. In S4 your child will continue to personalise his/her curriculum and begin to build a portfolio of National Qualifications. Most (but not all) students will be assessed at National 5 with a few at National 4 and National 3. The possibility to be assessed at the end of S4 at Higher Grade level, will exist.

Throughout S4, your child will continue to study the core areas of English, Mathematics, Modern Foreign Language (French or German), RMPS, PE and PSE and then have a 'free' choice across the Curriculum Areas. In S4, in addition to English, Mathematics and his/her Modern Foreign Language, your child will study a

number of other National Qualification courses which will reflect his/her academic progress through the Broad General Education.

At Ellon Academy almost all pupils will study seven certificated courses in S4. This number of courses provides your child the opportunity to gain deeper learning in his/her chosen 'learning journey' through the Senior Phase. Depending on your child's ability and progress it may be possible to study some courses over a two-year period of the Senior Phase. This flexibility will provide further breadth to your child's learning.

Senior Phase (S5 and S6)

In S5 and S6 courses are planned around six choices of five periods per week. It is recommended that for S5 pupils, five of these six choices, pupils follow SQA qualification courses with the sixth choice available for 'broader achievement' opportunities. This further personalisation provides your child with the opportunity to gain deeper learning in his/her chosen SQA subjects. Advanced Higher Grade courses are also offered during the Senior Phase. A key requirement for these courses is the ability to study independently. Therefore the amount of teaching time allocated to these courses will be reduced. For S5 and S6 pupils the opportunity to relate learning to a future career exists through our Work related Learning course. Your child will continue to study the core areas of PE and PSE in S5 and S6.

Development of Spiritual, Moral, Social and Cultural Values

In our school we are committed to providing appropriate opportunities for the development of pupils' spiritual, moral, social and cultural values through both the ethos of the school and the curriculum.

Ellon Academy Community Campus is a non-denominational school, which aims to develop core values, which include respecting others. We aim to create a curriculum and climate for learning, which promotes moral, social and personal responsibility towards self and others.

All pupils in S1-S4 will have a curricular experience which will explore aspects of society, values and issues affecting young people today.

Parents wishing to withdraw their child from Religious and Moral Education should contact the Head Teacher so that acceptable alternative arrangements can be made.

Extra-Curricular Activities

A wide and varied programme of educational and extra-curricular activities runs throughout the term at Ellon Academy Community Campus. We give our pupils the opportunity to participate in a range of exciting, interesting and valuable experiences.

These include Art Club, Drama Club, a variety of musical groups/bands/orchestras, the Lego Club, Coding Club, Warhammer, Film, Eager Bunch (Garden club) to name just a few.

Extra-curricular sporting activities also figure prominently at all levels of the school. Pupils participate in various sporting activities such as:

football, hockey, badminton, rugby, netball, swimming, athletics, cheerleading.

A great deal of success has been achieved both by school teams and individual pupils. Ellon Academy pupils are regularly selected to represent local and national teams.

At the start of every session an Activities Fair is held to introduce and encourage pupils to get involved.

1 1+2 Approach to Language Learning in Aberdeenshire

The Scottish Government has introduced a policy 'Language Learning in Scotland: A 1+2 Approach'. Children are growing up in a multilingual world and to allow them to take their place as global citizens, they need to be able to communicate in many settings. This approach entitles every child and young person to learn two languages at school in addition to their mother tongue language.

In Ellon Academy Community Campus the first foreign language will be either French or German. This language will be learned from P1 (in Primary School) through to S3 (in secondary school). For more information go to www.aberdeenshire.gov.uk/schools

If you would like your child to access Gaelic Medium Education and they have not yet started to attend a primary school you can make a request for an assessment of need for Gaelic Medium Primary Education (GMPE). For more information, please go to:

<http://aberdeenshire.gov.uk/schools/information/gaelic-in-schools/>

The parent or carer of any child or young person can make a request for their child to attend to any school which offers GMPE. This will enable your child to be taught by specialist staff. As there are currently no schools in Aberdeenshire which have GME provision learners are transported to school in Aberdeen City.

2 Further Information

Further information on the schools approach to Curriculum for Excellence including information for parents, can be found on the school website at:
www.Ellonacademy.aberdeenshire.sch.uk

More general information on Curriculum for Excellence and the new Qualifications can be found by clicking on the hyperlinks below.

National Qualifications:

<https://education.gov.scot/nationalqualifications/>

Assessment and Reporting

Pupils move through the curriculum at their own pace. Assessment will focus on **how well** and **how much** pupils are learning and not just how quickly they move through all the experiences and outcomes.

Progress will be evidenced using a variety of approaches that best reflect the learning that has taken place, and will track the skills that your child or young person is developing. There are four main ways in which pupils will be assessed in the **Broad General phase (pre-school – S3)**:

'SAY' where a pupil may have presented to the class or teacher.

'WRITE' where a pupil may have some written evidence e.g. end of unit/topic.

'MAKE' where a pupil may have created a model or poster.

'DO' where pupils may act out a scenario or conduct a class vote.

Assessment is ongoing throughout the Broad General phase and is a continuous process which influences the goals set for your child. Assessment can take many forms including observation, sampling of work, presentations, portfolios, performance, self & peer assessment as well as tests.

From August 2017, new National Standardised Assessments are being introduced as part of the National Improvement Framework, where every child in P1, P4, P7 and S3 will undertake assessments covering aspects of reading, writing and working with numbers over the course of the school year. Assessments will be completed online and will be automatically marked by the online system, giving teachers immediate feedback to help children progress to help teachers to judge how well children are doing and plan next steps in their learning. For more information please go to:

<http://www.gov.scot/Resource/0051/00510590.pdf>

Throughout this time, parents will receive regular updates through **TRACKING Reports** along with an **ANNUAL Report** and the opportunity to **meet informally and formally with** teachers and support staff (see school calendar in APPENDIX)

Pupils have responsibility for maintaining their **pupil profile** which involves them pulling together their skills, strengths and achievements both inside and outside of school to help them understand what they are learning and support planning for future learning. This is held in the Pupil Personal Record and this year a pilot eprofile is being trialled via Glow for S1 pupils. Parents and carers are encouraged to contact the school at other times throughout the year to discuss their child's progress.

Secondary schools: Assessment & Reporting in the Senior Phase (S4-S6)

In the Senior Phase pupils embark on the National Qualifications.

*As pupils enter this phase they are set an **aspirational target grade** for each subject they are studying. This forms the basis for learning conversations between staff and pupils to discuss progress and identify next steps. This is shared with parents/carers through **TRACKING Reports**.*

Further Information on Assessment, Reporting & Profiling can be found on Parentzone:

<https://education.gov.scot/parentzone/learning-in-scotland/assessment-and-achievement>

Transitions (Moving On)

TRANSITIONS & TRANSFER TO SECONDARY SCHOOL

An Induction Programme is in place to help ease the transition into S1. P7 pupils spend 3 days at Ellon Academy towards the end of the summer term. Further information is communicated to parents about the induction visit to Ellon Academy around February each year. Parents also have the opportunity to visit Ellon Academy where information will be shared and questions can be asked.

Liaison between our associate Primary Schools and Ellon Academy is very good. During the P7 year, pupils have many opportunities to join with P7 pupils from the other Ellon Community Schools Network. Transition projects, sports festivals, trips, invites to the academy and other activities are arranged for P7 pupils to get together.

Information about our P7 pupils is shared with guidance staff at the academy to help support appropriate continuity of education. Parents are welcome to attend these information sharing meetings, especially when additional support has been provided previously.

Ellon Academy staff also visit our pupils in the Ellon Community Schools Network where information is shared and questions can be asked.

Annually, Primary 7 parents are also invited to visit the school during a working day, to meet the Head Teacher, tour the school and ask questions about the education offered at Ellon Academy. These visits generally take place in January / February.

Where parents, who live out of zone, opt to send their child to Ellon Academy, following a successful placing request, Ellon Academy supports any alternative transition arrangements wherever possible.

Transitions between Stages

For some pupils, the thought of moving onto the academy or progressing through the school can be an anxious time. At Ellon Academy we have structures in place to support these transitions. Teachers share planning and work together on school improvement projects helping to ensure a commonality of expectations and approaches. Systems are in place for teachers to hand over information regarding the learning needs of the pupils transferring from school to school or class to class.

Visit Parentzone for more information about transitions:

<https://education.gov.scot/parentzone/my-child/transitions>

3 Admissions

Nursery Admissions.

All parents should submit an application form for their child, to the nursery of their choice during the admissions period. The application form can be found here:

<http://aberdeenshire.gov.uk/schools/information/early-learning-and-childcare-information/>

Primary Admissions

New entrants to P1 are enrolled early in the calendar year for entry to school in August. This is for children who will be five on or before the school start date in August. Those that have their fifth birthday between the August start date each year and the end of February the following year, may also be admitted. Go to:

<http://aberdeenshire.gov.uk/schools/information/primary-school-registration/>

4 Placing requests & School Zones

For all advice and information on placing requests and guidance on school catchment/zones go to:

<http://aberdeenshire.gov.uk/schools/information/choosing-a-school>

If you live Out of Zone, parents have the right to request that their child attends a school in another 'zone' if they wish (without giving any particular reason) and Aberdeenshire Council will, where possible, agree to this request. Please follow the link for more info:

<http://aberdeenshire.gov.uk/media/14818/out-of-zone-placing-request-policy-final-updated.pdf>

<http://aberdeenshire.gov.uk/media/14819/electronic-placing-request-application-form-aug16.pdf>

5 Skills Development Scotland

The Careers advisor for **Ellon Academy Community Campus** is: **Jennifer Hill**

The aim of the service is to help pupils' career plans and move smoothly from school to employment, training or further/higher education. All pupils have access to the Careers Advisor though most time is spent with S4/5/6. Pupils may meet with the Careers Advisor during class, in a group setting or for a one-to-one interview. The Careers Advisor may also be available for parents to seek advice during some of our events. For more information about Skills Development Scotland go to:

<https://www.skillsdevelopmentscotland.co.uk/>

6 Skills for Learning, Life and Work / Developing Young Workforce

As part of the curriculum, pupils will work towards developing the key employability skills, those being **communication, teamwork, problem-solving, digital literacy and customer service**. All pupils will have an opportunity to experience meeting and talking with employers, further education and training providers. Pupils in secondary will also have an opportunity for a work experience placement.

Further information for parents can be found on the DYW Website:

<http://dywaberdeenshire.org/>

Support for Children and Young People

7 Getting it Right for Every Child

Getting It Right For Every Child is the national policy approach in Scotland which aims to support the wellbeing of all children and young people, by offering the right help, at the right time, from the right people. Certain aspects of this policy have been placed in law by the Children and Young People (Scotland) Act 2014.

Wellbeing of children and young people sits at the heart of the Getting it Right for Every Child approach. Eight Wellbeing Indicators shown below, outline the aspirations for all Scotland's children and young people.

The Getting It Right approach means services will work in partnership with children, young people and their parent/carer(s) and we want every child at Ellon Academy Community Campus to feel happy, safe and supported to fulfil their potential.

Taking care of our learners' well-being and making sure they are alright, even before they are born, helps us to strive towards the most positive outcomes for them later in life. It gives learners the potential to grow up ready to succeed and play their part in society.

Getting it right for every child at Ellon Academy Community Campus aims to improve outcomes for all our young people. It promotes a shared approach that:

- Builds solutions with and around young people and their families
 - Enables our young people to get the help they need when they need it
 - Supports a positive shift in culture, systems and practice
 - Involves working together to make things better
-

Getting it Right for Every Child is the heart of our work with all pupils and young people.

The Getting it Right approach looks at eight areas of 'well-being'.

These are recognised as areas in which children and young people need to progress in order to do well now and in the future. They allow those responsible for the care and support of pupils, including members of their own families, to look at a situation in a structured way that will help them identify any needs and concerns and plan with the child/young person and their family for any support and interventions which will help.

The approach gives a common language and a way to gather information about a child/young person's world, making sure the child/young person is growing and developing, and has everything they need from the people who look after them both at home and in the wider community. This approach also encourages practitioners to think about who else might need to be involved (for example a teacher might need to contact other professionals to make sure that an education improvement plan with the child and family was meeting all the child's needs).

Guidance and Pastoral Support

Each pupil belongs to one of five House Groups, which are the responsibility of the Principal Teachers of Guidance. Their role is to know well and support each pupil in their House, providing a focus for the pupil, parents, staff and outside school contacts.

At all times PTs Guidance work towards promoting high standards of behaviour and positive relationships, working with learners to set learning targets and to review and discuss overall progress. They are also the main point-of-contact for parents and carers throughout a young persons' secondary school career. They provide a programme of regular pupil progress interviews and can offer help and advice to pupils on a wide range of topics, as well as being a 'listening ear'.

Principal Teachers of Guidance also teach the Personal and Social Education (PSE) programme. Core topics within PSE include health (including alcohol and drugs awareness education), sexual health and relationships education and careers education. Each pupil also has a Register Teacher who sees them for a ten minute registration period each morning throughout their time at the school.

The Five House Groups are:

House	Principal Teacher of Guidance
Cheyne	Paula Waugh
Forbes	Nicole Jeffrey
Keith	Sheana Brown / Mhairi Thomson
McDonald	Claire Kaczmarek
Sinclair	May Watt / Niall Corser

Additional Support Needs

Many pupils may face barriers to their learning at some time in their school career. These may be short or longer term and for a variety of different reasons. Some pupils may benefit from having some sort of support plan in order to develop learning. Pupils, parents, carers and staff are involved in developing support plans, helping to identify specific needs and what interventions may help overcome areas of difficulty. In Aberdeenshire, we adopt a multi-agency approach to supporting pupils with additional needs. We work closely with external agencies and partners, including; the educational psychologist, school nurse and doctor, family support workers, speech and language therapists, pupil support workers, police liaison officers and our additional support for learning teachers. Similar processes may also be put into place for pupils who have been assessed as being able or gifted because these pupils may also need additional support to reach their full potential.

Additional Support for Learning (ASfL) at Ellon Academy Community Campus

Ellon Academy aims to ensure that all pupils, regardless of circumstance, be given every opportunity to succeed and attempt to achieve their full potential. We are an inclusive, learning and teaching community.

Most pupils require support in some way or another and for a variety of reasons. The Additional Support for Learning Team works with pupils, parents, the guidance team, teachers and the Senior Leadership Team to provide the most appropriate education to meet individual needs. The aim is to provide all learners with the necessary life/learning skills and qualifications to encourage them to become active, independent learners.

How does ASFL work?

Pupils may be supported across all subject areas and this can be in a variety of ways:

- Working with a support teacher as well as a subject teacher in class.
- More intensive support in small groups or on an individual basis with any of the ASfL professionals.
- Following a short/ medium or longer term modified timetable to help explore strategies to assist pupils in developing study and learning skills.
- Support by a PSA (Pupil Support Assistant) in a variety of ways, including support in subject classes.

In addition to the above, the ASfL team liaises with the Guidance Team to access a wide range of outside agencies to support our pupils. These include the Pupil Support Workers, Social Work Department, Community Learning Team, Educational Psychology Services, Police and Health services etc.

8 The Named Person

Prevention and early-intervention are seen as key to the Getting It Right approach in achieving positive outcomes for children and young people. By providing support at an early stage, most difficulties can be prevented from escalating.

One way the Scottish Government has decided this should be taken forward, is by making a Named Person available to every child and young person in Scotland. The Education Service provides the Named Person Service for all children on entry to Primary One, until aged 18 (or beyond where a young person remains at secondary school). In Aberdeenshire the Named Person will be either the Primary Head Teacher or Deputy Head Teacher and in Secondary School, the Named Person will be that young person's allocated Principal Teacher of Guidance (with a few exceptional circumstances).

The purpose of the Named Person role is to make sure children, young people and parents have confidence that they can access help or support no matter where they live or what age the child is. Acting as a central point of contact, the Named Person can help children, young people or parents/carers get the support they need, if and when they need it.

The Named Person can help by:

- Providing advice, information or support
- Helping a child, young person, or parent/carer to access a service or support
- Discussing or raising a wellbeing concern about a child or young person.

There is no obligation for children and young people or parents to accept any offer of advice or support from the Named Person. Non-engagement with a Named Person is not in itself a cause for concern.

For more information you can contact your child or young person's Named person directly, or go to:

<http://www.girfec-aberdeenshire.org/for-parents-carers/what-is-the-named-person/>

Here at Ellon Academy Community Campus the Named Person for your child/young person is: Paul Cruickshank.

9 Educational Psychology

Educational psychologists are trained to work in collaboration with school staff, parents and other professionals to help children and young people to achieve their full potential. They use psychological skills and knowledge to improve the learning and wellbeing of all children and young people and offer schools a range of services including consultation, assessment, intervention, research, project work as well as support for staff's professional learning and development.

<http://aberdeenshire.gov.uk/schools/eps/>

10 Enhanced Provision & Community Resource Hubs

Aberdeenshire Council is committed to supporting children and young children to be educated in local schools through providing the right support in the right place at the right time. By enhanced provision we mean that a local primary and secondary school has an enhanced level of resources, such as access to a sensory room and life skills area; and

support for learning staff who have an enhanced level of expertise to meet a range of needs.

Further enhancement is available through the community resource hub, for a small minority of children with severe and complex needs, who regardless of chronological age are making very small steps in learning and are at the early levels of learning. The enhanced provision centres and community resource hubs can offer outreach support to mainstream schools, short term assessment placements, flexibility (e.g. blended places) and access to a variety of therapies.

For more information on all of our resources and policies go to:

<http://asn-aberdeenshire.org/>

11 Support for Learning

There are times when pupils may experience challenges with their schoolwork. This can be for a variety of reasons including specific learning difficulties, challenges with specific subjects, general learning difficulties or a period of absence.

Each school cluster has an allocation of **Teachers of Additional Support for Learning (ASL)** who are employed to support pupils with additional support needs. They work across each cluster in primary and secondary with the main aims of identifying and assessing (with others) barriers to learning, and in partnership with appropriate practitioners and parents, address these needs through a relevant curriculum. **Pupil Support Assistants (PSA)** assist teachers in promoting achievement and raising the standards of pupil attainment and provide general 'hands-on' support in relation to the needs of the class and individuals' care, health and wellbeing and safety and to ensure a secure and safe environment.

12 The Child's Plan

The Getting It Right approach makes sure children and young people are provided with a range of support, which is proportionate and put in place to meet assessed need. This is reflected in Aberdeenshire's staged approach to assessment and planning for individual children and young people, shown below.

For a small minority of children or young people, there might be higher levels of need or risk identified. These children may require a level of targeted support, coordinated on a single or multi-agency basis through a Child's Plan.

Where a child or young person needs one or more targeted interventions, the benefit of a Child's Plan will be discussed with them and their parents/carers. An assessment would identify any affected wellbeing indicators (Safe, Healthy, Active, Nurtured, Achieving, Respected, Responsible, Included), looking at both strengths and pressures in the child's situation, and fully involving the family in discussions.

The Child's Plan will outline what action will be taken by the child, their family and professionals, and detail how these supports aim to help improve the child or young person's Wellbeing and overcome any difficulties.

A Lead Professional will help to co-ordinate and manage any Child's Plan.

Information is available on the Aberdeenshire Getting It Right Website:

<http://www.girfec-aberdeenshire.org/for-parents-carers/>

13 Child Protection

Child Protection is everyone's responsibility. Protecting children and young people is the responsibility of every member of the community.

Within **Ellon Academy Community Campus** we have a designated member of staff appointed to be responsible for Child Protection matters. If there is the possibility that a child could be at risk, the school is required to refer the child to Social Work, the Police or the Children's Reporter. Here at **Ellon Academy Community Campus** the designated officer is: Depute Head Teacher Paul Cruickshank.

Remember – if you suspect abuse, do not rely on someone else to refer.

If you would like to speak to someone, seek help or pass on information or concerns:

Social Work Monday to Friday during office hours contact your Children & Families local Social Work Office

Evenings & Weekends call the Out of Hours Service on 03456 08 12 06

Police Emergency 999, Non-Emergency 101

Signs of abuse can range from poor personal hygiene and hunger to unexplained injuries or self-harm.

If a young person tells you they are being abused:

- stay calm and listen to them
- never promise to keep it a secret – tell them you must let someone else know
- remind them that they are not to blame and are doing the right thing
- report it, but leave any investigation to child protection agencies

Protecting Aberdeenshire's children and young people is everyone's business, go to:

<http://www.girfec-aberdeenshire.org/child-protection/>

Enquire

<http://enquire.org.uk/>

Parent & Carer Involvement

Here at Ellon Academy Community Campus, we recognise that parents are the main educators and most influential people in a child/young person's life and as such, we strive to work with you as partners to support your child/young person's learning. To do this we aim to work with you in a number of ways.

Parental engagement and feedback from children and young people who use services is seen as key to their development and creating relationships of trust, based on transparency, inclusion and respect, is the basis of positive working relationships with children, young people and their families. This includes recognition and awareness of differing cultures and backgrounds, which may have an impact on, or be important to a child or young person's situation.

Aberdeenshire Parents Charter. (See Appendix) These are a series of expectations that state our commitment to a way of working with you that places the following as priorities: welcome & care; value and include; communication and working in partnership.

Assessment and Planning

The Getting It Right approach and Children and Young Person (Scotland) Act 2014 means the views of children, young people and their families, are seen as central to any assessment of wellbeing, and when drawing up a Child's Plan.

15 Our Parent Forum & Working with you as partners

The Parent Forum is a collective name for every parent, carer or guardian at the school. As part of our forum we want to work together to give children and young people every opportunity to be successful and increase attainment. For that to work well, we have summarised how we aim to do this:

16 Communication.

The school uses a range of approaches to share information and enable insight into what your child is learning and how they are progressing. These include:

- Use of Groupcall to text and email (Xpressions)
- School Website: <http://ellonacademy.aberdeenshire.sch.uk>
- Social Media: Ellon Academy Facebook Page and Twitter feed - @AcademyEllon
- Termly Newsletters
- School Events
- Family Learning Events
- Parent Evenings (both curricular and pastoral)
- Parent Information Evenings

The school calendar highlights planned opportunities where we welcome parents & carers into school for events and opportunities to talk about their child's progress, wellbeing and behaviour (see Appendix).

17 Parenting

Working with you we aim to make advice and information available which helps create home environments to support children and young people's learning by providing guidance along with support programmes or events where you have the opportunity to learn together with your child.

18 Volunteering

There are many opportunities for parents to support learning in school by giving up some time to maybe share the skills and knowledge they have; support children and young people in the classroom; support or lead extra-curricular activities or indeed more direct support with specific skills (paired reading as an example). To do this please go to:

<http://jobs.aberdeenshire.gov.uk/volunteer-with-us/> or contact your Headteacher.

19 Learning at Home

We provide materials and resources to support either homework or materials for you to work with your child to develop key skills at home. For explanation of this please go to our homework policy

www.Ellonacademy.aberdeenshire.sch.uk

and also the access the range of home learning materials on:

www.Ellonacademy.aberdeenshire.sch.uk or GLOW

20 Decision-making and Developing Services

Reflecting our vision, values and aims, the school has a range of priorities that we work to improve on each year which are explained in our School Improvement Plan (SIP). To take forward some of those priorities we need parents' views, ideas, opinions along with creating the opportunity to draw upon parents' skills and strengths. To enable this we have a series of working groups/focus groups which any interested parent is invited to be part of. We also regularly consult on key issues using a range of tools such as questionnaires.

Our **Parent Council**, which is a nominated group of parents that represent the views of the parent forum, works with us to ensure we understand how to most effectively involve parents in their children's learning and to support the school with our improvements. Contact the Parent Council Chairperson Karen Gray or Headteacher Pauline Buchan for more information about getting involved in the Parent Council or email: keilghary@hotmail.com

21 Collaborating with the Community

Ellon Academy Community Campus and our staff strive to work with the many local organisations, community groups and businesses to ensure our children and young people benefit from further resources, experiences and opportunities. If you are interested in working with the school, please contact the Headteacher.

School Policies and Useful Information

School Policies such as the Homework Policy; Promoting Positive Relationships; our Mobile Phone etc. are published on the school website and can be found by clicking the parents tab at the top. Please go to: www.Ellonacademy.aberdeenshire.sch.uk

All Aberdeenshire Council Education policies can be found here:

<http://www.aberdeenshire.gov.uk/council-and-democracy/about-us/service-structure/education-and-children-s-services-policy-framework/>

22 Attendance

What pupils need to know:

Lateness: If you are late for school, report to the Office where you attendance will be noted. You will be given a late slip to hand to your class teacher for signature.

Permission for absence from school: if you have permission to be absent from school this will be recorded on your attendance record. Pupils who need to leave school early for an appointment or are returning to school following an appointment should report to the Office. Please note that during the school day, entry and exit is via the Community Reception Door.

If you are absent, please ensure that your parent/carer contacts the school to advise of your absence. On your return to school, a note should be provided explaining the reason for absence and confirming the periods of absence. The note should be signed by your parent/carer and dated.

If you feel ill, tell your class teacher and ask permission to report to the First Aider. If appropriate, office staff or the First Aider will arrange for you to be collected from school.

What parents needs to know:

Unplanned Absence

It is important to note that if a child/young person does not arrive at school and there is no reasonable explanation provided for his/her absence then members of staff will be required to ascertain the whereabouts and safety of the individual child. In order to avoid causing unnecessary concern for staff and parents, the importance of good communication between home and school cannot be over-emphasised.

Parents are asked to assist school staff in the manner detailed below:

- If your child/young person is unable to attend school through illness/other reason please telephone the school between before 9:30am on the first day of his/her absence, or send a signed note via a brother or sister where applicable.
 - When you contact the school it would be helpful if an indication could be given as to the child's expected length of absence. If you are not able to do this please try to let the school know on a daily basis.
-

- If your child is home for lunch and becomes unwell at lunchtime making them unable to return in the afternoon please telephone before the beginning of the afternoon session to inform the school.
- On your child's return to school, a note should be provided explaining the reason for absence and confirming the periods of absence. The note should be signed by a parent and dated.

Under normal circumstances we do not send work home in the case of absence. For medical or dental appointments the register teacher/school should be informed beforehand in writing. Where possible, on these occasions, pupils should always be collected and returned by an adult. As far as possible such appointments should take place out with the school day.

Planned Absences

As part of Government Regulations we are required to record all absences as "authorised" or "unauthorised". Authorised absences are due to illness or family bereavement and can also include time off to attend, e.g. sporting events or music exams.

The school follows the Aberdeenshire Attendance Policy:

http://www.aberdeenshire.gov.uk/media/19805/attendance-policy_april-2015.pdf

Procedures for following up on pupil absence are based on the Education (Scotland) Act 1980 which requires by law that parents/carers ensure that children attend school regularly. The Home/School Liaison Officer has a key role to play, providing a vital link.

23 Holidays during term time.

The Scottish Government has deemed that holidays taken during term time should be recorded as unauthorised absence unless there are special, exceptional circumstances. Should you wish to remove your child from school to attend a family holiday you must inform the Head Teacher. This will be recorded as unauthorised absence though there may at times be exceptional family circumstances previously discussed with the Head Teacher. Parents are advised to limit the number of holidays taken during term time, to minimise disruption to a child's education. For annual holiday dates for Aberdeenshire schools please see the section at the back of this book, contact the school office or go to:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/school-term-dates-and-in-service-days/>

24 Ellon Academy Community Campus School Dress Code

Our Dress Code was developed in partnership with parents, pupils and staff to encourage and promote a positive ethos of achievement.

We strongly encourage all pupils to wear our school dress.

We believe the benefits of a School Dress Code are:

- Differences between pupils are minimised, this reduces isolation and bullying
 - The self-esteem of particular groups of pupils can be improved – it is easy to spot who does and who does not belong to a school community
 - Pupils can feel a strong sense of belonging and commitment to the school
-

- It can improve the image of the school in the local community
- It can create a sense of purpose within the school environment

- Ellon Academy School Dress is Black and White. (No other colours)
- All pupils should all wear a school tie with a white shirt and an Ellon Academy black sweatshirt/jumper/cardigan
- Black footwear
- There is a senior tie for S4-6 and a junior tie for S1-3. A polo shirt, with a tie, is acceptable for S1-3 pupils. Each pupil is given a tie. Replacement ties are available at the school office at a cost of £5 each.
- A black blazer is optional for S6 pupils

For health and safety reasons, pupils should not wear any facial jewellery.

Please also consider the changeable nature of weather conditions and provide your child with appropriate outerwear and footwear to suit.

Suppliers: School dress is available from Grays and Excell Sports, in Ellon town centre.

Physical Education. PE Kit consists of: t-shirt, shorts/leggings/tracksuit bottoms and a change of footwear. No football shirts are allowed.

Parents should note their responsibility to ensure all clothing and belongings brought to school should be named or marked in some way, as it is difficult for children to distinguish their own clothing from that of others.

25 Clothing Grants

Some families may be entitled to a school clothing grant of £50 per year. More information about this can be found at:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/assistance/school-clothing-grants/>

26 Transport

The Council provides free transport to all children who live over two miles walking distance from school, in the case of primary school children, and three miles for secondary school pupils. School transport routes are determined by the pick-up locations required for pupils who are entitled to free school transport. Contact your school for more details.

27 Early Years Transport

Transport to early year's settings will not be provided by Aberdeenshire Council, unless there are relevant exceptional circumstances. Where there are significant additional support needs, transport may be provided. In such instances this requirement should be discussed with the Head Teacher in conjunction with the Early Years Quality Improvement Manager.

28 Privilege Transport

Pupils who live within two miles of primary school or three miles of secondary school may be able to travel on school transport at a charge. Where spare seats are available on a school transport route parents/carers can apply for a privilege place for their child by downloading an application form. The application form includes information on prices and payment methods for privilege passes. Discounts are available for pupils entitled to Free School Meals, and to families with 3 or more children travelling to the same school. For further information click on the link below or contact the school.

<http://www.aberdeenshire.gov.uk/roads-and-travel/school-transport/school-transport/>

29 Special Schools and Enhanced Provision

Aberdeenshire Council may provide free transport where necessary for pupils who attend a school with enhanced provision proposed by the Authority. In certain cases, pupils may be encouraged to make their own way to school by public transport, and where this is authorised, bus passes are issued. Where a pupil's address falls in the delineated area of a resourced school, and is within reasonable walking distance, the Authority will take advice from the Community Child Health Service before deciding if free transport should be provided

30 School Closure & Other Emergencies

Head Teachers decide if and when schools should close due to bad weather or another emergency. In bad weather they will decide this after receiving information about local weather conditions. This decision can be made during any time, day or night. These guidelines outline the procedures for dealing with school closures during bad weather or other emergencies.

If children are at school...

School transport contractors have been told not to allow children to walk home alone from drop-off points under any circumstances during extreme weather conditions. If you can't meet or arrange for your child to be met, the school transport will return them to a designated location.

Public service vehicles – drivers of these vehicles follow a specified route and keep to timetables – they cannot make special arrangements.

If your child attends a Nursery, Primary or Special School, which is to close early, the school will contact you by telephone. If this is not possible the school will contact your named 'emergency contact'. No child will be released from school without contact being made. It is important contact details are current and the people named are available – particularly during bad weather.

If your child attends a Secondary School, because of the large number of pupils in Secondary Schools, parents will be contacted via text/email to inform them of closure.

If you are concerned about local weather conditions contact the school. You may wish to collect your child yourself and are free to do so provided you make arrangements with the school.

Before the start of the school day...

During bad weather some staff may not be able to get to school or bus routes may not be safe to travel on – so the school may have to close. Headteachers will advise parents and carers using the following communication tools:

Outwith school hours, your local radio station is a good place to find out information on school closures. The following radio stations receive updated information every 30 mins from our website:

Northsound 1

FM 96.9

Northsound 2

MW 1035 kHz

BBC Radio Scotland

FM 92.4 - 94.7 MW 810 kHz

Moray Firth Radio

FM 97.4 MW 1107 kHz

North East Community Radio

FM 97.1 - 106.4

Waves Radio

FM 101.2

Original 106 FM**Twitter**

<http://twitter.com/aberdeenshire>

Aberdeenshire Council Website

<https://online.aberdeenshire.gov.uk/Apps/schools-closures/>

You also have the option to sign up to receive email alerts when your school(s) updates their closure status:

<https://online.aberdeenshire.gov.uk/myAberdeenshire/>

School Information Line

Tel: 0370 054 4999 then 02 10 40. If you cannot get through first time, please do not put this number on redial. This will only lead to the line being busier.

31 Storm Addresses

When there has been severe snow storm during the day it may be prudent for pupils who live some distance from the normal bus routes not to attempt to reach their homes but to spend the night in alternative accommodation nearer school. It is the parent's responsibility to inform school about any pupils who may be at risk in such situations and to provide the name and address of a relative or friend who is willing to provide overnight accommodation.

32 Change of address and Parental Contact Details

To enable us to make easy contact with parents, the school would appreciate if any changes of address, telephone number of circumstances is notified in writing to the School Office. It is also important that the school has details of an Emergency Contact should it prove impossible to get in touch with parents in the event of an emergency.

33 School Meals

It is Aberdeenshire Council policy to provide meals and facilities for the consumption of packed lunches in all schools where these are required.

- Primary 1-3 pupils are provided with school meals free of charge.
- Primary 4- S6 pupils are currently charged £2.15 for a school meal unless they qualify for Free School Meals.

For more information and how to apply for **Free School Meals**, go to:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/assistance/free-school-meals/>

For information about **school meals and menus** go to:

<http://www.aberdeenshire.gov.uk/schools/meals/>

Aberdeenshire Council provides an **online payment service to pay for school meals**.

To register for online payments you will be provided with a reference number by your school for each child. Parents and carers of pupils who qualify for Free School Meals are encouraged to create an account to see meal selection histories and to pay for non-food items such as school trips and activities when that option becomes available.

The first step in accessing the online payment service is to visit Pay facility located on the Aberdeenshire Council web site home page. Alternatively you can register by following the link:

<http://www.aberdeenshire.gov.uk/schools/meals/online-payment-for-school-meals-and-other-school-payments/>

Parents should be aware that they can request a special diet for their children if there are medical or religious reasons for doing so. Children who require medically prescribed or modified diets should be identified during the admission process. Parents and Carers are advised to complete Admission Form D which is available from the school administration office.

34 Healthcare & Medical

Every child's health and welfare is very important to the school. Parents who have any concerns should let school know by telephoning or writing in. Alternatively parents can inform the Health Visitor or their own GP. Parents are requested to let the school know of any hospital appointments.

Parents/carers are requested to keep children at home for 24-48 hours if the child has diarrhoea, flu-like symptoms or is clearly unwell.

Always seeks a GP's advice before sending a child back to school. Please remember that other children can be vulnerable to infection.

The school is fortunate to have a nurse in attendance to undertake Health Interviews and provide advice on health matters for pupils. The school doctor will play a vital role in monitoring a child's health and well-being.

Although our medical staff provide help and advice as appropriate, all pupils must be registered with a doctor in general practice who should be consulted about health matters as they arise. Parents should provide us with the name and telephone number of their child's doctor and an up-to-date emergency contact for themselves in case it becomes necessary for a child to be sent home during school hours because of illness.

Aberdeenshire Community Dental Service inspect P1 and P7 children in schools as part of the National Dental Inspection Programme. Written parental consent is not required for dental inspections, but parents will be informed in writing approximately one week before the inspection date.

Immunisation against Diphtheria, Tetanus and Poliomyelitis is provided for all pupils during the third year. If a pupil is unable to keep the school appointment, parents are advised to request immunisation from their own doctor.

HPV Immunisation to protect against cervical cancer is offered to all girls in S2. This is a series of 3 injections over a six month period commencing in September each year. A catch-up programme is also in place for girls who miss any of their injections.

Most pupils will at some time have a medical condition that may affect their participation in school activities. For many this will be short term; perhaps finishing a course of medication to combat an infection.

Other pupils have medical conditions that, if not properly managed, could limit their access to education. Such pupils are regarded as having health care needs. Most

children with health care needs are able to attend school regularly and, with some support from the school can access most school activities. However, school staff may

need to take extra care in supervising some activities to ensure that pupils are not put at risk.

Planning formats may include either:

- Individual Pupil Protocol (IPP) (Med form 7).
- Health Care Plan written by Health professionals for very specific medical needs.

A risk assessment should also be completed.

The above can help schools to identify the necessary safety measures to support pupils with medical needs and ensure that they and others are not put at risk.

Please find our Medication Policy here:

<http://asn-aberdeenshire.org/wp-content/uploads/2017/08/Admin-of-Meds-and-Healthcare-2016.pdf>

Sunscreen - As children are outdoors for learning and for play, parents should apply this prior to sending children to school or nursery. School staff do not supply, nor do they apply, sunscreen creams.

If your child has long term medical conditions such as asthma or diabetes, which may require on-going support, this should be fully discussed with the school. In certain cases specific training of staff about a child's treatment may need to be given. In addition, some

children have conditions which may require occasional staff intervention e.g. severe allergic conditions such as anaphylaxis.

35 Exclusion

Where pupils who repeatedly display behaviours which compromise the good order of the school i.e. disruption of learning and teaching, unsafe practices, bullying and other forms of abuse and where other forms of support and sanctions have proved unsuccessful, the Authority exclusion policy will apply. For further information on exclusions contact the school or go to:

http://www.aberdeenshire.gov.uk/media/3901/policy_disc_exclusion.pdf

36 Educational Visits

We offer various educational visits during the course of the school year. We believe that 'hands on' experiences greatly enhance a child's education, while also helping to make the necessary links between learning in school and life out with school. Staff members and parent volunteers provide supervision to standards laid down by Aberdeenshire Education & Children's Services. We give parents as much notification as possible with regard to visits their children will participate in.

37 Instrumental Tuition

From Primary 4 onwards, tuition is available for a range of musical instruments. All disciplines are taught in the secondary schools however not all disciplines are available in primary schools due to limited resources. Orchestral string instruments are not normally available to beginners at secondary level. Tuition is subject to availability. In Ellon Academy Community Campus some pupils currently receive tuition in brass, percussion, string and woodwind instruments.

For further information go to:

<http://aberdeenshire.gov.uk/schools/ims/>

38 Education Maintenance Allowance

An Educational Maintenance Allowance (EMA) is a weekly payment paid directly to young people from low income families to enable them to stay on in further education at school or college after they reach statutory school leaving age. This is funded by the Scottish Executive. Further information on EMA's and how to apply can be found here:

<http://aberdeenshire.gov.uk/schools/parents-carers/assistance/ema/>

39 Comments, Compliment & Complaints

To reflect our commitment to working with you, it is imperative that if you have any concerns these are shared and discussed with us as a school. We work hard to make sure you feel listened to as parents or carers, and find many difficulties can be easily resolved through the opportunity for direct discussion. However if you are dissatisfied about our action or lack of action, or about the standard of service provided by us, you can submit a complaint.

To explain our complaints service and how the process works please go to:

<http://publications.aberdeenshire.gov.uk/dataset/072f6c0d-955a-4f4c-a228-568e30884391/resource/52439609-98b5-45eb-b1e6-0d418371ba27/download/full-complaints-procedure-customerv6.pdf>

Where complainants continue to be dissatisfied with a stage 2 response, complaints can be referred to the Scottish Public Services Ombudsman. Further information and guidance can be found at:

<http://aberdeenshire.gov.uk/contact-us/have-your-say/have-your-say-guide/>

40 Support for parents/carers

Fax no 01346 512810
Email fraserburgh@children1st.org.uk

Additionally, information for the Scottish Child Law Centre can be found at:

www.sclc.org.uk

41 Insurance

No insurance is held by Aberdeenshire Education & Children's Service that automatically compensates school pupils for personal accident, whether an accident occurs within or outwith the boundary of the school. Insurance of this nature, e.g. personal accident, life, private medical, is seen as a parental responsibility. It is your responsibility as a parent to insure your child for personal accident or death if you feel this is appropriate.

Aberdeenshire Education & Children's Services does hold third party liability insurance, which indemnifies the Council against claims from third parties, e.g. parents on behalf of pupils who have suffered injury, illness, loss or damage arising from the negligence of the Council or its employees. In these circumstances all claims are handled on behalf of the Council by external Insurers and Claim Handlers and compensation is dealt with on a strictly legal liability basis.

The Authority has a duty of care in respect of pupils in its charge during school hours and as such has to take reasonable steps to ensure the safety of all primary and secondary pupils. However, it is thought that secondary pupils should be more mature and, therefore, a lesser degree of supervision would be sufficient.

It may be necessary to provide supervision for primary children on school premises before or after normal school hours if their early arrival or late departure is due to the timing of official school transport. This general duty of care continues if the children go home by way of school transport and ends when the child gets off the bus, at which point the parents then become responsible.

Parents may wish to consider their own insurance arrangements in terms of appropriate extensions to their household insurance or arranging their own separate covers.

42 School Off Site Excursion Insurance

Aberdeenshire Council has in place a School Excursion Insurance policy, whereby both pupils and teachers are covered for offsite activities / trips both within the UK and abroad (offsite meaning off the school premises). The policy covers medical expenses, loss of baggage, cancellation, curtailment and change of itinerary (along with other sundry benefits) etc. for worldwide trips and adventurous activities (including winter sports).

If personal items such as jewellery, phones/tablets, watches etc. are taken on a school trip then these are taken at an individual's own risk and are not covered under the policy, unless damage or loss is caused by an Aberdeenshire Council employee. Should a parent or carer want such items to be covered then this would need to be arranged by parents/carers independently of the school. In addition to this policy, Aberdeenshire Council also holds Public Liability insurance cover for any injury or loss incurred by individuals due to the negligence of the Council or its employees (including volunteers).

43 Data we hold and what we do with it.

Education authorities and the Scottish Government collected data about pupils on paper forms for many years. We now work together with schools to transfer data electronically through the ScotXed programme. This has two functions: acting as a 'hub' for supporting data exchange within the education system in Scotland and the analysis of data for statistical purposes within the Scottish Government itself.

44 How Does Aberdeenshire Council Hold and Store Pupil Data

Aberdeenshire Council use a system called SEEMIS which is used in all local authorities in Scotland and is subject to independent scrutiny to ensure that it is a secure environment for holding such data. Our schools update the data held in the system when they have an education update to make to a pupil's record or when they receive advice from a parent or guardian either through the Annual Data Check exercise or when they are made aware of a change of circumstances at any other time in the year.

45 Parental Access to Records

SAR - Subject Access Request information

Subject Access Requests are the formal process by which individuals can seek information held about them (or their children) by the council. The requests can be broad, in terms of everything that is held, or quite specific - everything held by a specific department, establishment, team or individual. We have a legal requirement to provide the information under the Data Protection Act 1998. An SAR is wider than an Educational Record in that it will include all personal data held about a child not just their educational record. Further information can be found at:

<https://ico.org.uk/for-the-public/personal-information/>

The Pupils' Educational Records (Scotland) Regulations 2003 means that you can get access to your child's records. Details of the regulations and process for obtaining information specific to pupils are available by contacting the school directly or can be found at:

<https://education.gov.scot/parentzone/my-school/general-school-information/My%20child's%20record>

46 ScotXed

If you have any concerns about the national ScotXed data collections you can email the Head of Schools Analysis, Mick Wilson, at mick.wilson@scotland.gsi.gov.uk or write to The ScotXed Support Office, Area 2D, Victoria Quay, Leith, EH6 6QQ. Alternative versions of this page are available, on request from the ScotXed Support Office, in other languages, audio tape, Braille and large print.

47 Information Sharing

In terms of effective communication, including sharing relevant and proportionate information, where appropriate, Aberdeenshire Council in accordance with the Data Protection Act 1998 and Human Rights Act 1998 adheres to this as part of our current routine practice.

48 Freedom of Information

The law gives everybody a right to access all recorded information held by the council. This is called Freedom of Information or FOI. Anyone can use this right, and information can only be withheld where Freedom of Information (Scotland) Act 2002 (FOISA) expressly permits it.
