

'Ellon Academy On-Line Lockdown Learning' - Week Beginning 29.06.2020

Pupils should communicate with their subject teachers through Google Classroom or Teams, if at all possible.

S2-S3 Additional Support for Learning

Week commencing 29th June 2020

Supported Studies: There will be no work set for the last two weeks of term but please get in contact with your Supported Studies teacher for any extra support you think you need or any advice around classes or Google Classroom.

G8 pupils: Follow any mainstream class that you attend. Parents should be aware of other work taking place.

CRH pupils: Follow your mainstream timetable where you can and ASL staff will be in touch with anything extra you need to know.

F16 pupils: Follow ALL your mainstream classwork which might now be in Google Classroom through GLOW. Extra work is placed on Google Classroom in GLOW - 'catch ups' will take place as usual.

S2 Business Education (Enterprise)	
Week commencing: 29th June 2020	Useful Links
Follow the instructions on Google Classroom to complete 2 additional modules from the recommended modules list. Remember to choose modules based on which area (Citizen, Worker, Maker, Entrepreneur) has the least points as you will need 50 points from each area to claim your iDEA award. Those of you who are ready to claim your award, please see the instructions attached on Google Classroom and upload your certificate to Google Classroom.	Google Classroom; iDEA website
S3 Business Education	
Week commencing 29th June 2020	Useful Links
S3 Accounting: S3 pupils should access the Google Classroom for S3 Accounting. Pupils should then complete Tasks 5-8 in the Cash Budget Task file (this is a continuation of the work started last week). Completed tasks should be submitted via Google Classroom for marking and feedback.	Google Classroom
S3 Administration & IT: S3 pupils should access the Google Classroom for S3 Admin & IT. Pupils should read through the presentation "Introduction to Posters" and complete the demonstration task on the last slide. Google Classroom has a worksheet, with poster tasks, to be completed and a few extension activities. All posters should take into account the design features noted in the presentation. Please ensure that all posters are uploaded to Google Classroom.	Google Classroom
S3 Business Management (E): S3 pupils should access the Google Classroom for S3 Business (E). Pupils should read the presentation attached to the Google Classroom assignment (this is a continuation from last week). Using the briefing, create a presentation on one of the franchises listed. Ensure you follow the outline specified in the briefing as this matches the marking rubric. Be sure to make your presentation informative, as well as using a variety of design and formatting features. Presentations should be uploaded to Google Classroom. You can use the presentation as well as the fact sheet attached to Google Classroom for assistance.	Google Classroom
S3 Business Management (H): S3 pupils should access the Google Classroom for S3 Business (H). Pupils should read the presentation attached to the Google Classroom assignment (this is a continuation from last week). Using the briefing, create a presentation on one of the franchises listed. Ensure you follow the outline specified in the briefing as this matches the marking rubric. Be sure to make your presentation informative, as well as using a variety of design and formatting features. Presentations should be uploaded to Google Classroom. You can use the presentation as well as the fact sheet attached to Google Classroom for assistance.	Google Classroom
