

'Ellon Academy On-Line Lockdown Learning' - Week Beginning 15.06.2020

Pupils should communicate with their subject teachers through Google Classroom or Teams, if at all possible.

S4-S6 Additional Support for Learning

Week commencing 15th June 2020			Useful Links
		<p>Supported Studies: Work is placed on Google Classroom for completion from your class teacher or will be e-mailed directly to you. Don't forget to contact your Supported Studies Teacher for any extra support you need.</p> <p>G8 Pupils: Follow any mainstream class that you attend. Parents should be aware of other work taking place.</p> <p>CRH Pupils: Follow your mainstream timetable where you can and ASL staff will be in touch with anything extra you need to know.</p> <p>F16 Pupils: Follow ALL your mainstream classwork which might now be in Google Classroom through GLOW. Extra work is placed on Google Classroom in GLOW - 'catch ups' will take place as usual.</p>	<p>"Don't forget you could be practising touch typing: https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr https://www.doorwayonline.org.uk/typing https://www.typingclub.com https://www.keybr.com https://www.typingstudy.com</p>

S4 & S5 Business Education				
Week commencing 15th June 2020		Class Code	Useful Links	
Accounting	National 5	5wouxcd	<p>S4 pupils should access the Google Classroom for N5 Accounting and open the LIFO PowerPoint file. Pupils should read the content and ensure they understand the sample task. They should then attempt Tasks 1-7 in the LIFO task file. Pupils should submit their completed tasks to their class teacher for marking and feedback.</p> <p>Google Classroom: all pupils should have joined this class previously.</p>	Google Classroom
Accounting	Higher	tbtn74j	<p>S5/6 pupils should access the Google Classroom for Higher Accounting. Pupils should read the notes on Ratio Analysis (up to page 9) before completing the associate worksheets. Pupils should submit completed tasks to their class teacher for marking and feedback.</p> <p>Google Classroom: all pupils should have joined this class previously.</p>	Google Classroom
Administration & IT	National 3	46e7zmk	<p>S4-6 pupils should access the Google Classroom for National 3 Administration & IT and attempt Tasks 9-12 within the Paragraphs section of the Introduction to WP booklet. You should create separate Word files for each task, ensuring you follow all instructions given. If unsure about house styles or layouts, refer back to PowerPoints from previous weeks. Pupils should submit completed tasks to their class teacher for marking and feedback.</p> <p>Google Classroom: all pupils should have joined this class previously.</p>	Google Classroom
Administration & IT	National 4 (S4 Pupils)	kt72uch	<p>S4 pupils should access the Google Classroom for National 5 Administration & IT and open the BBQ - Research Task (PDF file). This file contains an internet research task and requires them to complete the BBQ - Research Worksheet, which they should save to their Admin folder on their One Drive. Pupils should read the instructions carefully on how to email this task to their teacher.</p> <p>Google Classroom: all pupils should have joined this class previously.</p>	Google Classroom
Administration & IT	National 4 (S5/6)	kt72uch	<p>S5/6 pupils should access the Google Classroom for National 5 Administration & IT and open the BBQ - Research Task (PDF file). This file contains an internet research task and requires them to complete the BBQ - Research Worksheet, which they should save to their Admin folder on their One Drive. Pupils should read the instructions carefully on how to email this task to their teacher.</p> <p>Google Classroom: all pupils should have joined this class previously.</p>	Google Classroom
Administration & IT	National 5 (S4 Pupils)	4kgsr47	<p>S4 pupils should access the Google Classroom for National 5 Administration & IT and open the BBQ - Research Task (PDF file). This file contains an internet research task and requires them to complete the BBQ - Research Worksheet, which they should save to their Admin folder on their One Drive. Pupils should read the instructions carefully on how to email this task to their teacher.</p> <p>Google Classroom: all pupils should have joined this class previously.</p>	Google Classroom

Administration & IT	National 5 (S5/6 Pupils)	4kgsr47	S5/6 pupils should access the Google Classroom for National 5 Administration & IT and open the BBQ - Research Task (PDF file). This file contains an internet research task and requires them to complete the BBQ - Research Worksheet , which they should save to their Admin folder on their One Drive. Pupils should read the instructions carefully on how to email this task to their teacher. Google Classroom: all pupils should have joined this class previously.	Google Classroom
Administration & IT	Higher	r2j756p	S5/6 pupils should access the Google Classroom for Higher Admin & IT and open the PowerPoint Time & Task Management . Pupils should read slides 1-10, which contains a recap of last weeks work along with Activities 1a-c. Pupils should create a word document to key in their answer to these activities, remembering to save a copy to their Higher Admin folder in their own One Drive. Pupils should then continue to work through slides 11-31, which contain notes on Time & Task Management, along with Activities 2 & 3. Where pupils are asked to complete worksheets, they should access these from Google Classroom. Once complete, pupils should email these worksheets to their teacher. Google Classroom: all pupils should have joined this class previously.	Google Classroom
Business	National 4 (S4)	7muoxqs	S4 Pupils should access their Google classroom and open the Customer Care PowerPoint. Pupils need to read content carefully before attempting the activity on bubble map and customer loyalty (these should be submitted for marking via Google Classroom). There is a case study called "Hot Plate" and related form which pupils should complete, both of which should be submitted via Google classroom. Pupils should also log in to Collins Connect for additional reading on Customer Care and attempt the activities. Instructions on how to access Collins Connect can be found in the Google Classroom. Google Classroom: all pupils should have joined this class previously.	Google Classroom; Collins online textbook
Business	National 4 (5/6)	ziz555z	S5/6 Pupils should access their Google classroom and open the Customer Care PowerPoint. Pupils need to read content carefully before attempting the activity on bubble map and customer loyalty (these should be submitted for marking via Google Classroom). There is a case study called "Hot Plate" and related form which pupils should complete, both of which should be submitted via Google classroom. Pupils should also log in to Collins Connect for additional reading on Customer Care and attempt the activities. Instructions on how to access Collins Connect can be found in the Google Classroom. Google Classroom: all pupils should have joined this class previously.	Google Classroom; Collins online textbook

Business	National 5 (S4)	7muoxqs	<p>S4 Pupils should access their Google classroom and open the Customer Care PowerPoint. Pupils need to read content carefully before attempting the activity on bubble map and customer loyalty (these should be submitted for marking via Google Classroom). There is a case study called "Hot Plate" and related form which pupils should complete, both of which should be submitted via Google classroom.
