

'Ellon Academy On-Line Lockdown Learning' - Week Beginning 29.06.2020

Pupils should communicate with their subject teachers through Google Classroom or Teams, if at all possible.

S4-S6 Additional Support for Learning

Week commencing 29th June 2020			Useful Links
		<p>Supported Studies: There will be no work set for the last two weeks of term but please get in contact with your Supported Studies teacher for any extra support you think you need or any advice around classes or Google Classroom.</p> <p>G8 Pupils: Follow any mainstream class that you attend. Parents should be aware of other work taking place.</p> <p>CRH Pupils: Follow your mainstream timetable where you can and ASL staff will be in touch with anything extra you need to know.</p>	<p>Don't forget you could be practising touch typing: https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr https://www.doorwayonline.org.uk/typing https://www.typingclub.com https://www.keybr.com https://www.typingstudy.com</p>

S4 & S5 Business Education

Week commencing 29th June 2020		Class Code	Useful Links	
Accounting	National 5	5wouxcd	<p>S4 pupils should access the Google Classroom for N5 Accounting and open the Job Costing Intro PowerPoint file. Pupils should read the content and ensure they understand the sample task. They should then attempt Tasks 1-7 in the Job Costing task file. Task 1-3 have a template for pupils to use included in the task file. For Tasks 4-7, pupils can write on lined paper or use the ExcelWord sample Templates on Google Classroom. If using the sample template, pupils need to edit appropriately and use the correct labels. Pupils should submit their completed tasks to their class teacher for marking and feedback.</p> <p>Google Classroom: all pupils should have joined this class previously.</p>	<p>Google Classroom</p>
Accounting	Higher	tbtn74j	<p>S5/6 pupils should access the Google Classroom for Higher Accounting. Pupils should then open the form "Higher Accounting Summer Review" and complete the quiz. Pupils should then open the Pupil Notes on Budgets and read pages 1-8, before attempting the Introductory Exercise on page 9. This should be submitted via Google classroom for marking and feedback.</p> <p>Google Classroom: all pupils should have joined this class previously.</p>	<p>Google Classroom</p>

Administration & IT	National 3	46e7zmk	S4-6 pupils should access the Google Classroom for National 3 Administration & IT. Paying attention to the content included last week, pupils should attempt Tasks 5-8 in the Manuscript Correction section of the Intro to WP booklet (use in previous weeks - page 26 onwards). Pupils should refer to the "Manuscript Corr" handout if unsure of any of the symbols. Pupils should create separate Word files for each task, ensuring all instructions are followed fully. Remember spaces! Work should be submitted via Google Classroom for marking and feedback. Google Classroom: all pupils should have joined this class previously.	Google Classroom
Administration & IT	National 4 (S4 Pupils)	kt72uch	S4 pupils should access the Google Classroom for National 4 Administration & IT and access the Tables in Word Booklet (PDF file). This booklet will show you how to create tables using Word and how to enhance/edit your tables. Pupils should work their way through pages 1-6, completing tasks 1-4. Pupils are reminded to save a copy of each completed task to their Admin folder on their One Drive and submit to their teacher for marking and feedback. Google Classroom: all pupils should have joined this class previously.	Google Classroom
Administration & IT	National 4 (S5/6)	kt72uch	S5/6 pupils should access the Google Classroom for National 4 Administration & IT and access the Tables in Word Booklet (PDF file). This booklet will show you how to create tables using Word and how to enhance/edit your tables. Pupils should work their way through pages 1-7, completing tasks 1-5. Pupils are reminded to save a copy of each completed task to their Admin folder on their One Drive and submit to their teacher for marking and feedback. Google Classroom: all pupils should have joined this class previously.	Google Classroom
Administration & IT	National 5 (S4 Pupils)	4kgsr47	S4 pupils should access the Google Classroom for National 5 Administration & IT and access the Tables in Word Booklet (PDF file). This booklet will show you how to create tables using Word and how to enhance/edit your tables. Pupils should work their way through pages 1-10, completing tasks 4-8. Task 9 is an extension task, which can be completed but only if you have time this week. Pupils are reminded to save a copy of each completed task to their Admin folder on their One Drive and submit to their teacher for marking and feedback. Google Classroom: all pupils should have joined this class previously.	Google Classroom
Administration & IT	National 5 (S5/6 Pupils)	4kgsr47	S5 pupils should access the Google Classroom for National 5 Administration & IT and access the Tables in Word Booklet (PDF file). This booklet will show you how to create tables using Word and how to enhance/edit your tables. Pupils should work their way through pages 1-10, completing tasks 4-8. Task 9 is an extension task, which can be completed but only if you have time this week. For those pupils who completed National 4 Admin & IT last session, they should complete tasks 9-12. Pupils are reminded to save a copy of each completed task to their Admin folder on their One Drive and submit to their teacher for marking and feedback. Google Classroom: all pupils should have joined this class previously.	Google Classroom

Administration & IT	Higher	r2j756p	S5/6 pupils should access the Google Classroom for Higher Admin & IT and complete the Netiquette task (PDF file). Pupils are reminded to save a copy of their completed task to their Admin Folder on their One Drive and then submit to their teacher for marking and feedback. Google Classroom: all pupils should have joined this class previously.	Google Classroom
Business	National 4 (S4)	7muoxqs	S4 Pupils should access their Google classroom and open the form "Understanding Business Recap" and fill in the quiz. Use the link to the homework on Collins Connect and submit your answers via Google Classroom. Google Classroom: all pupils should have joined this class previously.	Google Classroom; Collins online textbook
Business	National 4 (5/6)	z lz555z	S5/6 Pupils should access their Google classroom and open the form "Understanding Business Recap" and fill in the quiz. Use the link to the homework on Collins Connect and submit your answers via Google Classroom. Google Classroom: all pupils should have joined this class previously.	Google Classroom; Collins online textbook
Business	National 5 (S4)	7muoxqs	S4 Pupils should access their Google classroom and open the form "Understanding Business Recap" and fill in the quiz. Use the link to the homework on Collins Connect and submit your answers via Google Classroom. Google Classroom: all pupils should have joined this class previously.	Google Classroom; Collins online textbook
Business Management	National 5 (5/6)	z lz555z	S5/6 Pupils should access their Google classroom and open the form "Understanding Business Recap" and fill in the quiz. Use the link to the homework on Collins Connect and submit your answers via Google Classroom. Google Classroom: all pupils should have joined this class previously.	Google Classroom; Collins online textbook
Business Management	Higher	n7jccub	S5/6 pupils should access the Google Classroom for Higher Business Management and open the "Entrepreneurs" PowerPoint. The PowerPoint is structured with pages to read (theory) and 2 tasks to complete at the end. Please submit the 2 tasks, as separate files, via Google Classroom. Additionally, I have posted self-study resources for the Operations unit. Please read the instructions carefully and, over a number of weeks, read the notes and complete the associated tasks. A suggested weekly breakdown is included in the Activities Booklet. Please ensure you complete this unit by the end of August. Google Classroom: all pupils should have joined this class previously.	Google Classroom
PC Passport	Levels 4 & 5	qhkijs	Pupils should access the Google Classroom for PC Passport and access the Tables in Word Booklet (PDF file). This booklet will show you how to create tables using Word and how to enhance/edit your tables. Pupils should work their way through pages 1-10, completing tasks 4-8. Task 9 is an extension task, which can be completed if you have time this week. For those pupils who completed National 4 Admin & IT last session, they should complete tasks 9-12 instead. Pupils are reminded to save a copy of each completed task to their PC Passport folder on their One Drive and submit to their teacher for marking and feedback. Google Classroom: all pupils should have joined this class previously.	Google Classroom
