

Elton Academy Remote Learning Schedule - Week Beginning 08.02.21 to 19.02.21 inclusive\*

Pupils should communicate with their subject teachers through Google Classroom

S4-S6 Business Education

Work posted in this Learning Schedule is for Monday 8th February - Thursday 11th February.

Work for Thursday 18th February - Friday 26th will be posted on Google Classroom.

Subject	Class/Level	Class Code		Interactive/Real Time Sessions
Accounting	National 5	5wouxcd	Pupils should access their Google Classroom and open the Ratio Analysis PowerPoint presentation. Read the notes carefully, paying attention to the formulae used to perform the calculations. Pupils need to take time to understand what the figures mean and where they come from in the financial statements. Pupils should then open the Demo Task M Patel Q1 (pdf file) and the Demo Task M Patel Excel Spreadsheet, which shows this question worked out fully. Pupils should work through this, using the exemplar solution to help. Once comfortable with this, pupils should open the Ratio Analysis Task booklet and work through Tasks 1-3. Make sure you show all your workings. Once you have calculated the ratios, open the Ratio Answer Grid (this is a Google Form in a separate assignment) and fill in your answers (please ensure complete carefully and include %, times etc). The Google Form will self-mark.	
	Higher	tbtn74j	Pupils should access their Google Classroom and read the instructions, before logging in to SCHOLAR (accessed through GLOW). Pupils should navigate to Topic 8 "Decision Making" and complete the tasks for Sections 8.10 to 8.11, the summary and end of unit test.	
Administration & IT	National 3 (S4 pupils)	ube7zmk	Final week of Business Letters! Pupils should access their Google Classroom and continue with Business Letters. Refer back to the sample layout provided previously and complete Tasks 10, 11 and 12. Pupils should submit all 3 of their completed letters for marking and feedback.	
	National 3 (S5/6 pupils)	ube7zmk		
	National 4 (S4 pupils)	kt72uch	Pupils should access their Google Classroom and complete the PowerPoint task - CITIES OF THE USA. A file has already been created for pupils to use, showing the basic layout. Pupils should use the Internet to find the information needed to help complete this presentation. Pupils must ensure they have followed all instructions and proofread their completed presentation carefully before submitting for marking and feedback.	
	National 4 (S5/6 pupils)	4kgsr47		
	National 5 (S4 pupils)	kt72uch	Pupils should access their Google Classroom and complete the PowerPoint task - CITIES OF THE USA. Pupils should use the Internet to help complete this presentation. Pupils must ensure they have followed all instructions given and proofread their completed presentation carefully before submitting for marking and feedback.	
	National 5 (S5/6 pupils)	4kgsr47		

	Higher	r2j756p	Pupils should access their Google Classroom and complete the attached revision worksheet - this can be attempted with or without notes. Pupils should then access the Health and Safety presentation brief on Google Classroom and use this to create a PowerPoint. Presentations should be suitably enhanced, utilising IT skills from the practical element of the course. The legislation worksheet and finished presentation should be uploaded to Google Classroom for marking and feedback.	
Business Management	National 4 (S4 pupils)	7muoxqs	Pupils should access their Google Classroom and review the Cash Budgets presentation. Pupils should follow the information on the assignment, which details instructions for particular slides. After reviewing the theory content, pupils should attempt the Cash Budgets activity and submit this to Google Classroom for marking and feedback.	
	National 4 (S5/6 pupils)	z1z555z	Pupils should access their Google Classroom and review the Cash Budgets presentation. Pupils should follow the information on the assignment, which details instructions for particular slides. After reviewing the theory content, pupils should attempt the Cash Budgets activity and submit this to Google Classroom for marking and feedback.	
	National 5 (S4 pupils)	7muoxqs	Pupils should access their Google Classroom and review the Cash Budgets presentation. Pupils should follow the information on the assignment, which details instructions for particular slides. After reviewing the theory content, pupils should attempt the Cash Budgets activity and submit this to Google Classroom for marking and feedback.	
	National 5 (S5/6 pupils)	z1z555z	Pupils should access their Google Classroom and review the Cash Budgets presentation. Pupils should follow the information on the assignment, which details instructions for particular slides. After reviewing the theory content, pupils should attempt the Cash Budgets activity and submit this to Google Classroom for marking and feedback.	
	Higher	n7jccub	Pupils are continuing with Ratio Analysis this week, focusing on the limitations of their use. Open the Limitations of Ratio Analysis PowerPoint and read the content. At the end of the PowerPoint there are a number of exam-style questions, which should be completed in Word and submitted for marking and feedback. Pupils are reminded to include the question and mark allocation in their answers.	
PC Passport	Levels 4 & 5	qhkiijs	Pupils should access their Google Classroom and complete PowerPoint Task 3 - CITIES OF THE USA. Pupils must ensure they have followed all instructions given & proofread their completed presentation carefully before submitting for marking and feedback.
