Copies of this booklet will arrive in school after the Easter break and will be passed on to senior pupils in due course.

## ICT Up-date:

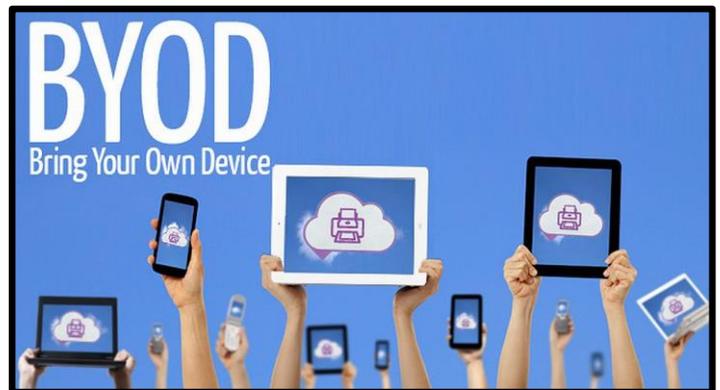

### ClickView Free Video Content for Aberdeenshire Schools

Ellon Academy has signed up for a 3-year contract with ClickView and schools across Aberdeenshire are encouraged to use free video content provided through the National e-Learning Partnership and ClickView. *To complement this learning content, ClickView is offering schools in Scotland free access to its full range of curriculum aligned video learning content, free of charge until March 31, 2021.* The full press release can be read on [Glow](#). To find out more, visit [Clickview.co.uk](http://Clickview.co.uk).

This will support our teachers to have a wider range of educational resources to compliment learning and teaching.

### Bring Your Own Device (BYOD)

We are delighted to confirm that Ellon Academy has been working through all the protocols and principals of on-line learning and safety policies which need to be in place to open up the wi-fi, and that we are almost there! We will ensure that pupils and parents know when we are fully operational. Thanks to Mrs Moir, our Principal Teacher Digital Learning, for her work in progressing this for Ellon Academy.

## Good News!

A huge 'well done' to Luca in S5 who presented to the Liberal Democrat Conference last week. We are very proud of Luca and his achievements.

### Staff News:

Congratulations to Mr C Bain, who has been successful in securing the Principal Teacher of English and Literacy at Northfield Academy. A huge loss to Ellon Academy but great news for Northfield!

### Exec Team News:

Our wonderful Exec Team have been reviewing the feedback from their recent wellbeing pupil questionnaire and have produced a series of mental health and wellbeing support posters for our learners.

This week, their focus is on the benefits of outdoor exercise, because they discovered that only 15% of young people exercise outside. Thanks, and well done to our Exec Team. 😊

# Why you Should Exercise Outside

A survey taken by pupils from S1-S6 showed that **15%** of pupils never exercise outdoors

## Benefits of outdoor exercise:

-  Boosts mental health, increases happiness

## Flames and Frames Young Enterprise:

Good luck to our S6 Flames and Frames Young Enterprise pupils, who have an interview next week to progress to the next stage of a National Competition for their entrepreneurial and business work. Mr Corser, Mrs Ewen and I had a practice interview with them this week, and they are an impressive group. Thanks to Mr Abberley-Nicol for his excellent co-ordination of Young Enterprise at Ellon Academy.

## How does our Garden Grow?

Our EAGer Bunch are seeing the results of their early planting work in the Autumn with a lovely crop of crocus plants this year in support of Purple for Polio / End Polio Now. Well done lads!
