At home, pupils should be undertaking appropriate revision to prepare for this assessment. Additionally, 2 small revision tasks have been provided on Google Classroom which pupils should complete, using Excel, remembering to use appropriate formulae to perform calculations. If unsure, pupils can refer back to their own notes. It is crucial that pupils apply their ledger rules (a couple of hint sheets have also been attached to the assignment to help). Completed tasks should be submitted via Google Classroom for marking and feedback.
