

Ellon Academy – Winter Assessment Block Timetable 2023

The Winter Assessment Block runs from Monday 16 January to Wednesday 1 February 2023. The timetable is organised by column. Columns determine which periods pupils attend a particular subject (only double periods when assessments are taking place are shown below). Your child's teachers will confirm dates/times of assessments, and these will be posted on Google Classroom.

To give S4 pupils an 'exam experience', pupils will sit National 5 English and National 5 Mathematics/ Applications of Mathematics in the Games Hall, unless they have Additional Assessment Arrangements, e.g., use of IT, Reader/Scribe.

On Friday 20 January 2023 (N5 English exam) and on Monday 23 January 2023 (N5 Maths/Apps of Maths exams), pupils sitting these assessments will only attend the exam(s). They will not attend normal classes on these days. Pupils may study in school in the morning or can arrive at school in time for their assessment. Pupils must be at the exam venue 20 minutes before the exam starts.

Pupils with Additional Assessment Arrangements will be informed of these separately.
