

Ellon Academy Remote Learning Schedule - Week Beginning 22.02.21

Pupils should communicate with their subject teachers through Google Classroom

S4-S6 Business Education

Subject	Class/Level	Class Code		Interactive/Real Time Sessions
Accounting	National 5	5wouxcd	Pupils are continuing with Ratio Analysis this week. Tasks 4-6 should be completed, writing out your answers on lined paper or on Excel. Refer back to the Ratio Analysis PowerPoint, if needed. Pupils should pay close attention to the formula used to perform the calculations, making sure all workings are shown. Once the ratios have been calculated, pupils need to open the Ratio Answer Grid (this is a separate assignment) and fill in their answers. The Google Form will self-mark.	
	Higher	tbtn74j	Pupils should access their Google Classroom and read the PLC Theory PowerPoint, making their own notes/mind maps. Pupils should then open the PLC Theory Tasks (PDF file) and answer these questions in full, according to the command word and marks allocated. Once completed, pupils should submit the completed task for marking and feedback.	
Administration & IT	National 3 (S4 pupils)	ube7zmk	In-school provision on Monday 22nd February - all learning will take place in school.

I hope all is going well for you and your child/children. Thank you to those of you who took the time to complete the feedback survey issued a fortnight ago. In response to some of the feedback, I have shared details on your child/s Google Classroom about how to download the Microsoft Office Package. Hopefully this will address some of the concerns raised. As previous weeks, all work will be set on Google Classroom. When in Google Classroom, using the Classwork Tab, you/your child will see a list of topics. At the top is a topic called Lockdown Learning (February 2021). Materials and Assignments will be posted here. Please don't hesitate to get in touch if materials are unclear or if any extra support is required:
