The tasks will be set with a deadline of Friday 19th February 2021. It would be great if your child could complete any outstanding tasks by this date. On Monday 22nd February, incomplete tasks will be returned with a '0' so they will no longer appear on Google Classroom as 'missing'. The hope is that this will help to avoid your child becoming overwhelmed by a list of 'missing tasks' and view the second half of term as a fresh start. Tasks will still be available for them to complete if they wish. If you have any concerns or queries, please feel free to get in touch: sarah.warne@aberdeenshire.gov.uk (PT English)

Using the "mock" Subject Choice grid on Google Classroom, please complete the Google Document also on Google Classroom and submit it by 11.30am on Monday 8th February. This information will help us to support you in the Subject Choice process.
