Thank you to those of you who took the time to complete the feedback survey issued a fortnight ago. In response to some of the feedback, I have shared details on your child's Google Classroom about how to download the Microsoft Office Package. Hopefully this will address some of the concerns raised. As previous weeks, all work will be set on Google Classroom. When in Google Classroom, using the Classwork Tab, you/your child will see a list of topics. At the top is a topic called Lockdown Learning (February 2021). Materials and Assignments will be posted here. Please don't hesitate to get in touch if materials are unclear or if any extra support is required: sarah.warne@aberdeenshire.gov.uk (PT English)
