

Ellon Academy Remote Learning Schedule - Week Beginning 08.03.21

Pupils should communicate with their subject teachers through Google Classroom

S4-S6 Business Education

Subject	Class/Level	Class Code		Interactive/Real Time Sessions
Accounting	National 5	5wouxcd	Pupils are continuing with Ratio Analysis this week. Tasks 4-7 should be completed, writing out your answers on lined paper or on Excel. Refer back to the Ratio Analysis PowerPoint issued previously, if needed. I have also attached the SQA formulae sheet, which lists all the formulae and calculations needed on one page - a good reference document! Pupils should pay close attention to the formulae used to perform the calculations, making sure all workings are shown. Once the ratios have been calculated, pupils need to open the Ratio Answer Grid (this is a separate assignment) and fill in their answers. The Google Form will self-mark. Pupils to pay close attention to how ratios are expressed ie times, %. No need for £ signs but enter a comma for thousand separator ie 1,000.	
	Higher	tbtn74j	Pupils are continuing with Company Accounts this week. They should access the Bright Red Higher Accounting textbook (www.brightredbooks.net), where they will have to access their account (all pupils did this in S4, but may need to reset their password if they have forgotten!). Pupils should then go to the Company Accounts section and work through the first 4 sections as revision. From there, attempt Exercises 1 (Shubunkin LTD) and 2 (Rostrevor LTD) and submit via Google Classroom for marking and feedback. I have also attached a copy of the SQA accepted layout for PLC financial statements as a reference document.	
Administration & IT	National 3 (S4 pupils)	ube7zmk	In-school provision on Monday 8th March - all learning will take place in school (please note teacher delivery during periods 1-4; supervised study in the faculty during periods 5-7)	
	National 3 (S5/6 pupils)	ube7zmk		
	National 4 (S4 pupils)	kt72uch	In-school provision on Monday 8th March - all learning will take place in school (please note teacher delivery during periods 1-4; supervised study in the faculty during periods 5-7)	
	National 4 (S5/6 pupils)	4kgsr47		
	National 5 (S4 pupils)	kt72uch	In-school provision on Monday 8th March - all learning will take place in school (please note teacher delivery during periods 1-4; supervised study in the faculty during periods 5-7)	
	National 5 (S5/6 pupils)	4kgsr47		
Higher	r2j756p	In-school provision on Tuesday 9th March - all learning will take place in school (please note teacher delivery during periods 1-4; supervised study in the faculty during periods 5-7).		
Business Management	National 4 (S4 pupils)	7muoxqs	Pupils should access their Google Classroom and review the attached information on command words. Pupils should use this information to attempt the attached N4 Case Study questions in preparation for future assessments. They should also evaluate their strengths and weaknesses using the attached course checklist and undertake revision, where required. The completed N4 Case Study questions should be uploaded to Google Classroom for marking and feedback.	

National 4 (S5/6 pupils)	zIz555z	Pupils should access their Google Classroom and review the attached information on command words. Pupils should use this information to attempt the attached N4 Case Study questions in preparation for future assessments. They should also evaluate their strengths and weaknesses using the attached course checklist and undertake revision, where required. The completed N4 Case Study questions should be uploaded to Google Classroom for marking and feedback.
National 5 (S4 pupils)	7muoxqs	Pupils should access their Google Classroom and review the attached information on command words. Pupils should use this information to attempt the attached Case Study questions in preparation for future assessments. They should also evaluate their strengths and weaknesses using the attached course checklist and undertake revision, where required. The completed Case Study questions should be uploaded to Google Classroom for marking and feedback.
National 5 (S5/6 pupils)	zIz555z	Pupils should access their Google Classroom and review the attached information on command words. Pupils should use this information to attempt the attached Case Study questions in preparation for future assessments. They should also evaluate their strengths and weaknesses using the attached course checklist and undertake revision, where required. The completed Case Study questions should be uploaded to Google Classroom for marking and feedback.
Higher	n7jccub	Finishing off the Finance unit this week. Pupils should access their Google Classroom and read the content of the IT & Finance PowerPoint and the Ratio Analysis Word file. Pupils should then attempt the revision questions provided. These should be word processed and submitted for marking and feedback.

PC Passport	Levels 4 & 5	qhkijjs	Pupils should access their Google Classroom and open the Google Form attached to the assignment. This activity is a series of multiple choice questions based on all content covered. Think carefully before entering your answers. The Google Form will self mark on submission.
